Superintendent's Report

To the Citizens of Sandwich:

I hereby submit my fifth annual report as superintendent of schools, it being the seventh in the series of such reports.

The schools are moving along the same lines as usual and good progress is being noted. All the teachers are new except at the Center Schools and at Chick's Corner. We were glad to retain these teachers. The new ones have been welcomed to their respective schools. Pupils in the eighth grade are looking forward to attendance at the Quimby School. Nearly every pupil who graduates from the Grammar School goes to High School.

Our school record for the year ending June 30, 1925, showed an average attendance of 69, an average membership of 74 and a per cent. of 94. The total enrollment was 80—47 boys and 33 girls. Comparing this with the previous year, we find that the average attendance is exactly the same; the average membership has dropped from 76 to 74; the per cent. of attendance has risen from 90 to 94. Unfortunately the school population of Sandwich is growing less. I earnestly wish these beautiful hillsides might be peopled with good-sized families of children and our schools filled to capacity.

Since no place could be found for a teacher to board nearer than the village, it was found necessary to close the Lower Corner School. The pupils are now transported to the Center Schools.

There are six teachers now in the employ of the district:

Uldine M. Bryan at Chick's Corner has 11 pupils.

Marion C. Clark at East Sandwich has 5 pupils.

Mary L. Boyd at Whiteface has 11 pupils.

Edith A. Welch at North Sandwich has 6 pupils.

Nellie L. Muzzy at the Center Grammar School has 20 pupils.

Belle E. Forbush at the Center Primary School has 18 pupils.

The trustees of the Alfred Quimby Fund employ three teachers:

Kenneth M. Clark of the University of New Hampshire is headmaster and cares for the agriculture.

Isabelle Barnett of the University of New Hampshire has charge of the Quimby Cottage and the domestic arts work.

Gertrude L. Middleton of Plymouth Normal School teaches French, English and History.

I recommend that Sandwich unite with some other towns in employment of a school nurse who should visit the schools and look after the physical condition of the pupils.

I urge that girls from Sandwich attend Normal School and train for teachers.

QUIMBY SCHOOL

This school has its largest enrollment—32. It is fine that Sandwich can have a high school. We graduate the first class in June—two young men, both of whom plan to take advanced work at higher institutions of learning. A much-appreciated extra activity this year was the special opportunity for cabinet work and wood-turning. The trustees provided a lathe and a special instructor, Willard H. Nute of Concord, and gave to boys who desired it a five day course of intensive work. It is not far to imagine that such project work might lead to the establishing of a wood-turning factory which

could use the hard woods on the hillsides and give employment to citizens. Among the projects made were a floor lamp, butterfly table, rocking chair, and a tabouret.

REPAIRS

The buildings were cleaned and general repairs made in the summer. The seats were removed from Durgin schoolhouse—part being taken to Lower Corner and part to Chick's Corner. Slate blackboards were installed at Chick's Corner and a commodious book closet built. The walls were given a coat of paint. The North Sandwich schoolhouse was painted inside. Lower Corner schoolhouse was shingled. The Whiteface schoolhouse was painted on the walls and in the new toilet.

The playground at Whiteface should be graded. The yard at the Center should be graded and beautified. At least two buildings should be painted outside. The Center building should be equipped with chemical toilets.

CHARACTER EDUCATION

Special attention has been given to character education. An approved Moral Code has been provided for each school. In addition to the training which comes through the regular studies and play activities, special effort is made through clubs, noon lunch hour, special readings, and discussions to focus attention on character in citizenship.

I wish to thank the school board, teachers, pupils and citizens for helpful co-operation.

The following pupils had a perfect record of attendance for the school year ending June 30, 1925:

Ellsworth M. Smith—Center Grammar.

Dennis Elliott—Whiteface.

Elwin I. Graves—East Sandwich.

Dorothy A. Graves—East Sandwich.
Irva B. Wallace—Chick's Corner.
Mary A. Sullivan—Lower Corner.
Richard G. Hatfield, Lower Corner.
Edna A. Burrows—Quimby School.
Flora E. Mudgett—Quimby School.
Lena Thompson—Quimby School.

Respectfully submitted,

F. W. JACKSON.

February 1, 1926.
